

Limo for Two? - Questions for Discussion

1. Throughout the story, Ron and Bob are told how much they look alike. What would be some advantages and disadvantages to being an identical twin?
2. Why do you think that Ron and Bob liked their jobs at school so much?
3. The students at the dance were described as being shy and not wanting to dance. Do you think that this is like most school dances? Are students too young to have dances at the junior high level?
4. Do you think that it was honest and that Bob did the right thing when he let Ron have his limo ride home?
5. The adults in the story joke a lot with the students. Do you think that this helps students like school more, or should school be a more serious place?
